Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule A of your report discloses an aggregate year-to-date total(s) for a contribution(s) received from Alexander D. Stuart and Alexander Nayab which appears to be incorrect. Please amend your report to provide the correct aggregate year-to-date total(s).
2. Schedule A supporting Line 12 of your report discloses transfers from apparent joint fundraising committees. In addition, your report includes memo entries on Schedule A for what appears to be your committee's share of the gross contributions received through these joint fundraising efforts. Please amend your report to clearly identify on the Schedule A, which joint fundraising committee each memo entry relates to.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
